## Keynote Speaker: Dr. Corey Pruitt

Speaker, author, and human performance strategist, Dr. Pruitt, is a thought leader in the areas of employee inspiration, employee engagement, and employee innovation. He is passionate about employee performance and leadership in the workplace and sparking positive change in others.

Dr. Pruitt's unique blend of experiences in psychology, business leadership, and higher education leadership have set the foundation for his ability to motivate and transform individuals and organizations toward innovation, growth, and lasting performance improvement.

Dr. Pruitt has obtained an undergraduate degree in Human Communication and a Master's degree in Psychology, and a Doctorate in Leadership. He also holds the following certifications:

- Certified in Advanced Motivational Interviewing and Behavior Change
- Certified Master Communicator
- Certified Performance Communicator
- Certified Neurolinguistic Practitioner
- Certified Prosci Change Management Practitioner

He has received numerous awards and recognition for his speaking, training and entertaining abilities. He is an established author of numerous books, articles, newsletters and blogs. As well, he was the founder and owner of multiple companies, including Iron Man Communications, Elite Illusions, Pruitt Consulting, LLC, the National Human Communication Institute, and most recently the founder and CEO of ChangeSparx, LLC.

# Keynote Speaker:

## Dr. Pruitt

Dr. Pruitt has provided keynote presentations and development workshops to countless organizations impacting thousands of people, from corporations and conferences to associations, higher education, government and nonprofits. His high-energy, engaging style weaves research, practical application, humor and corporate illusions to lead his audiences through a journey of exploration to insight to actionable direction.

While Dr. Pruitt customizes every presentation, some of his most popular keynotes include:

- SUCKER-PUNCH LIFE: 5 KEYS TO INSPIRED LIVING AND WORK
- CATALYST: 5 PSYCHOLOGICAL PRINCIPLES TO DRIVE ENGAGEMENT IN THE WORKPLACE
- SPARK: 5 THINGS WE CAN IMMEDIATELY DO TO INCREASE PEOPLE CENTERED INNOVATION

Dr. Pruitt typically customizes his keynote presentations and development workshops to his specific audience – since he’s an adamant believer that it’s only possible to truly connect to others when one has an understanding of their needs, challenges and passions. His message resonates with people-leaders, employees, and conference attendees across industries, especially those desiring change in the areas of employee performance, employee inspiration, employee engagement and innovation.
